

## UltraLevel names new CEO

UltraLevel announces the appointment of Trisha Butz as CEO and majority owner

**Southfield, Michigan, July 20, 2016** – UltraLevel, an IT solutions provider and Dell Premier Partner, today announced Trisha Butz has been named majority owner and CEO. Trisha assumes responsibility for all day-to-day operations, strategic planning and growth effective July 1, 2016.

“I’m excited to build upon the past 15 years of my father’s hard work to expand UltraLevel’s customer base and grow our revenues. He founded this company on the principle of exceptional customer service; I will ensure our customers’ satisfaction remains at the heart of everything we do”, said Trisha Butz, UltraLevel CEO.

Trisha has served UltraLevel in nearly every aspect of the company for 5 years with progressively increasing responsibilities including Sales Support, Inside Sales and Inside Sales Management and Account Management. For the past year, Trisha has served as acting CFO with responsibility for vendor management and vendor relations, process improvement, contract review, finance and accounting. Previously, Ms. Butz opened the Nashville UltraLevel office.

Said Mike Butz, Sr., UltraLevel Founder and COO, “Trisha knows all the inner workings of this company, from selling, through delivery, to invoicing and receiving, and she understands how I’ve built this company, the values we have and our commitment to our customers. I’m thrilled to have her take over the reins of my legacy. “

Mike Butz, Sr. will be assuming the role of COO, responsible for sales and delivery operations.
